HOW TO DRIVE YOUR FAMILY CRAZY FOR FUN PROFIT

Enjoy a humorous look into dysfunctional family dynamics and how to survive, thrive, control and actually enjoy them. Poetic justice - in theory and in practice! A set of insights, tips, tricks, practical jokes and harmless pranks intended to help people who don't enjoy every aspect of their family life - finally enjoy it. Whether you read this book for future peace of mind, or just for some fun thoughts and ideas or to actually make a profit from all the family non-sense, you should find enjoyment in the possibilities! The profit part is real. So, if you want to make some spare cash and need a little inspiration, this book can help with that too. They say that every person is put on this earth to be someone's teacher and even those (especially those) people who annoy you are there to teach you something about yourself. If that's truly the case, I have had some great teachers in my life. I was related to most of them. Pack this book in your bag before your next family trip, family outing, family reunion or family holiday, and you'll have all necessary coping tools, have a better trip and if you test any of these wonderful ideas - you'll truly enjoy yourself.
