These unique and quirky aspects are humorously displayed in Southwest Curiosities, a cross between a wacky news gazette, an almanac, and a humorous travel guide. Amusing stories and unique black and white photographs make this the perfect read for travelers, residents, and anyone interested in adventure and a good laugh. Southwest Curiosities is part of a GPP homegrown series of state-specific books that describe, with humor and affection-and a healthy dose of attitude-the oddest, quirkiest, and most outlandish places, personalities, events, and phenomena found within the state's borders and in the chronicles of its history. The series provides a fun and accessible read for travelers and non travelers alike-a great armchair book with quirky black and white photographs throughout and maps for each region.
