Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

The global issues of our day - whether economic, social, political, religious, health, environmental or others - occur in the context of two competing visions. One vision was established before the beginning of time by God, the Creator of all things. Revelation is his perspective on global issues as recorded in the Bible. Faith is the response he seeks from humankind. The Kingdom is his overall plan that begins from these central features and extends to all of life. The other vision was established at the beginning of time and has diversified wildly in multiple ways ever since. It always has people at the center, depends on their unique world views or interpretations of the world, becomes evident in their religious myths, beliefs, values, symbols, themes and rituals, and results in competing human plans called cultures. Global issues cannot avoid these conflicts. The Bible's book of Genesis, Chapters 1-3, describes the origin of these conflicts. Genesis Chapters 1-2 are about Gods Kingdom plan in which his LIFE plays the central part. Genesis Chapter 3 is about the first cultural plan as Adam and Eve place their life at the center of their world, their viewpoint determinative with their preferred religious solutions, and the first cultural plan the result. The replacement of Gods Kingdom Plan with their cultural plan had consequences far beyond their expectations and control. They faced global issues the way we do today when we operate by human plans with no regard for Gods eternal plan. Cultural plans continue with their focus on human life. The Tree of the Knowledge of Good and Evil was all about cultural plans. The tree still thrives today. It nurtures many dreams....
