Raintree, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: What matters most here is that important science information gets across to your reluctant readers. With plenty of white space, subheads, and large images, this high-low series effectively motivates them to learn more. Weird and wonderful examples that relate directly to readers' lives are especially appealing, while a simple and manageable style makes these books approachable. Each title is structured into chapters with different text types throughout, including reports, recounts, quotations, and newspaper articles. Features include fact boxes, new words, photo notes, sidebars, and Internet search tips.
