St. Martin s Griffin, United States, 2015. Paperback. Book Condition: New. 2nd. 208 x 140 mm. Language: English . Brand New Book. BLOW is the unlikely story of George Jung s roller coaster ride from middle-class high school football hero to the heart of Pable Escobar s Medellin cartel-- the largest importer of the United States cocaine supply in the 1980s. Jung s early business of flying marijuana into the United States from the mountains of Mexico took a dramatic turn when he met Carlos Lehder, a young Colombian car thief with connections to the then newly born cocaine operation in his native land. Together they created a new model for selling cocaine, turning a drug used primarily by the entertainment elite into a massive and unimaginably lucrative enterprise-- one whose earnings, if legal, would have ranked the cocaine business as the sixth largest private enterprise in the Fortune 500.The ride came to a screeching halt when DEA agents and Florida police busted Jung with three hundred kilos of coke, effectively unraveling his fortune. But George wasn t about to go down alone. He planned to bring down with him one of the biggest cartel figures ever caught.With a riveting insider account of the lurid world of international drug smuggling and a super-charged drama of one man s meteoric rise and desperate fall, Bruce Porter chronicles Jung s life using unprecedented eyewitness sources in this critically acclaimed true crime classic.
