Createspace, United States, 2010. Paperback. Book Condition: New. 213 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.The Absent Embrace is a shocking account of adolescent neglect, and yet, perseverance. At the impressionable age of twelve, Braedon Kuts is introduced to drugs by her mother, who torments the household with her tyrannical outbursts, leaving Braedon relieved in the shadow of her neglect. She refuses to buy food because the pig would eat it, Braedon s older brother Chancy, who brushes the face of death when starvation nearly claims his life. Fighting sickness and hunger, Braedon resiliently trudges onward to survive. Her descent into an unsupervised life ensues illiteracy, mischief, then deeper into delinquency. Ultimately, she finds solace and a certain measure of adult influence from an eclectic group of drifters who gather at a local coffee shop. Confused by push-pull emotions, she struggles with the desperate need to feel her mother s love, yet is terrified of being verbally abused. In a voice far wiser than her years, Braedon recounts her story not to induce sympathy or amass pity, but instead to spread understanding and hope. Despite others attempts to help her, Braedon broke free from her mother in her own way, in her own time. With this first book, Braedon relentlessly pedals the reader to every corner of her heart and mind-both the bruised and the untouched. This sobering story will awaken you to the privilege of every day conveniences, the corruption of drugs and an unforgettable spirit-a matchless account of resilience and bravery that you won t forget.
