Taylor Jane Simon is an eighteen-year-old girl with Aspergers Syndrome who has a refreshingly different view of the people she encounters and the life she wants to have. Young adult readers will identify with Taylors struggle for independence and self-control, and empathize as she outlines the ways both positive and negative-- that her Aspergers Syndrome affects her daily life. Connecting with a play by Samuel Beckett, Taylor explores a fear of solitary existence while reaching out to a world at times perplexing. Most important, Taylor wants to be seen as an individual, not as a stereotypical person with special needs, or a rare wild flower images that haunt her from the past. A cameo performance by Taylors new gerbil -- Harold Pinter-- adds further emphasis to themes of existentialism and humour. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
