Balboa Press, United States, 2014. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. Warning: this book is NOT a new-age self-help softy. Perhaps it s the subject that initially enchanted me. I personally wish I had thought of having a Conversation with MY Womb! Giuditta Tornetta did think of it, and she rendered her trailblazing idea into a book that is at once practical, and a wildly esoteric page-turner. -Midwife Robin Lim, 2011 CNN Hero, International Alexander Langer Award Recipient. Conversations with the Womb is a guide back to yourself. It is time for this material to inspire and influence today s woman. -Kelly Brogan MD, Holistic Women s Health. Conversations with the Womb is a treasure. A perfect way to connect with the profound wisdom we all carry inside. -Christiane Northrup, M.D., ob/gyn physician and author of the New York Times bestsellers: Women s Bodies, Women s Wisdom and The Wisdom of Menopause. Often referred to as the well-spring of creation, the womb is the epicenter of a woman s relationship to the divine. Conversations With the Womb is a provocative rediscovery of ancient feminine power. Using the Nine Chakras of Creation as a road map to transforming one s personal history, women are encouraged to begin a profound and ongoing conversation with their most primal organ. Unburdened by their histories the immense creative force within the womb can be harnessed to manifest our heart s desire.
