Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Doctor Genevieve Thomas has known her calling since she was a young girl. Her father s suicide in the wake of his service in the Vietnam War drove her to be a psychiatrist specializing in Veteran services, and she s utterly devoted to her cause. However, when the difficult case of Lieutenant Owen Sinclair is referred to her, she s not certain she can handle it - not for any lack of skill, but because she finds the man himself a huge distraction. A towering mountain of muscle and intimidation, Lieutenant Sinclair might be just the shock she needs to help her discover a world of pleasure she never dreamed existed. Owen Sinclair doesn t like doctors. He doesn t like discussing his past and he s perfectly content to battle his demons on his own. The retired seal refuses to seek help for the memories that haunt his dreams until his CO sets him up in a last bid to save his sanity. Dr. Genevieve Thomas, however, is the last thing he ever expected to come across in a psychological evaluation. Her smooth, dark skin and entrancing eyes immediately enthrall him, and he quickly realizes that he must decide which is more important: his pride, or obsession with the woman slowly but surely saving his soul from the darkness that threatens it?.
