

## The Thirteenth Apostle

Filesize: 4.12 MB

### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## THE THIRTEENTH APOSTLE

[DOWNLOAD](#)

Alma Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Thirteenth Apostle, Michel Benoit, When his friend, Father Andrei, is mysteriously killed on a train on his way back from Rome, Father Nil, a Benedictine who teaches the Gospel of St. John to novices, decides to conduct his own investigation. The dead priest possessed proof of the existence of a thirteenth apostle and an epistle stating that Jesus was nothing more than an inspired prophet, not the Son of God - two things that would spell great danger for the Church. Father Nil then discovers a previously unpublished account of the origins of Christianity. It tells of the Nazarenes, a community excluded from the official Church by Peter and Paul, who appear to have thrived until the 7th century, playing an important role in the birth of Islam. While he pushes ahead with his investigation, the Pope's advisors, rival factions and secret societies are trying, by any means, to lay their hands on the priest's findings. From the Mossad to Fatah, everyone seems to have a very good reason to keep the thirteenth apostle a secret. The story of an ancient sect detailed within papyrus sheaves hidden in the caves at Qumran forms the basis of this exhaustively researched novel. The Thirteenth Apostle contains lore perhaps more familiar to fans of the Knights Templar than to readers of Dan Brown, but will excite similar passions.
