BRILLIANCE AUDIO, United Kingdom, 2013. CD-Audio. Book Condition: New. Unabridged. 140 x 127 mm. Language: English . Brand New. New England. 1898. The Prescott Family is Boston. In that bygone golden age, Patriarch Charles presides over both his shipping line and family with a sure and strong hand, while wife Jocelyn is feeling her authority usurped by her powerfully minded mother-in-law, Augusta. Their children, Marietta, Aurora and Barton find themselves trying to make their way in a constantly changing world - filled with social upheaval and technological advancements. The Prescott s house staff goes about their duties under the supervision of the taciturn butler, Williams. Effortlessly integrating historical events into its narrative (including the second running of the American Marathon later re-named the Boston Marathon), and filled with intrigue, warmth, and drama writ large, the Colonial Radio Theatre invites you into the Prescott household for an evocative, unforgettable depiction of Boston life as lived by those who set the pace. Williams has set an extra place for you at the table - won t you join us on Beacon Hill?.
