Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

THE IF CONSPIRACY

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.During a chaotic UN evacuation from a 2009 Congo genocide, Tim Johnson, ex-SAS, city whizz kid and aid worker is mysteriously kidnapped, presumed dead. Two years later, John Mackenzie, fading journalist and ex-Cambridge university acquaintance claims to have found Johnson, briefly, in a hospital in Botswana before losing him again. During a chance meeting in Shanghai, Mackenzie asks the narrator, an old Cambridge acquaintance and psychologist, for his professional opinion of the incredible tale that Johnson told him of an Inselberg, a desert Shangri-La. Deciding that the story is too incredible to be ignored, the narrator embarks on a mission to find the truth of Tim Johnson's disappearance and the crisis that turned him from golden boy to near basket case. Moving and thought provoking. Vivid, violent, intense. a good, if thought provoking read. A great authentic feel. Damian P.O Connor (Ma, Ph.D etc etc), sometime soldier, academic and teacher has two dozen academic books, articles and reviews on historical themes to his name already. Widely travelled in Africa, the Middle East and China, he has been awarded academic recognition in the Brenthurst Foundation/Nelson Mandela Essay Competition, the RUSI Trench Gascoigne prize and gained a medal from the Chief of the Zulus. Now back from being stuck as far up the Yang-Tse river as it seemed feasible to go, he is based in Essex, UK.
