Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sara s brother Luke, lived a mile east of the town of Twifals, in a large two story log cabin, in the forest of Mista. He was also a doctor. Luke was popular in the town of Twifals, because he always had a smile on his face, and he was gentle with the children who visited the clinic his brother in law, Mike shared with him. The children liked Luke, because he had a kind word for them to calm their fears. While Luke was lying in bed, taking a nap, he dreamed that he was in the mind of a badger. The badger was looking for insects. It did not see the trap hidden under a pile of leaves. The badger stepped on the trap, which snapped shut on its leg. The badger tried to pull away from the trap holding its leg. When that failed, the badger began nosing around the trap. When the badger became aware of Luke s presence, it sat down and reached out to him. Human, will you help me, the badger asked in a male voice. Luke got out of bed and left the cabin. He walked towards the spot where the badger was caught in the trap. The badger looked up as Luke approached it and bared its teeth at him. Luke stopped and he looked at the badger. Then Luke knelt down and he opened the jaws of the trap, freeing the badger.
