### ***Reviews***

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

A new edition of this wonderfully atmospheric novel published into the First Modern Classics list, fantastic stories for young readers. In a whirl of rainy weather, a strange woman appears on Theo and Dodie's doorstep making Theo very uneasy. His mother and little sister do not seem at all alarmed by her. Dodie loves Mrs Scarum's stories and her wild dancing. But Theo suspects there might be trouble afoot, not helped by the fact that his father, usually as reliable as the clocks he repairs, has failed to return home. The blizzard continues and the night is long. there may be tears before morning. A beautifully written story for confident young readers from an award-winning author.
