

Exploring Creation with Chemistry (3rd Edition) Student Notebook

By Dincher, Vicki

Apologia Educational Ministries, 2015. Spiralbound. Book Condition: New. Illus. (illustrator). 3rd. 608 p. Includes: illustrations, diagrams. Give your high school students a fun and helpful way to build study skills and reinforce lessons from Apologia's Exploring Creation with Chemistry, 3rd Edition (sold-separately). The simple layout integrates study notes, questions from the text, and room to record experiment data within a clean, fresh workspace. This student notebook journal is divided into sections that correspond to the text. First, an introduction provides rubrics, notes and schedules. This is followed by each module's notebooking pages, which include blank note-taking pages along with room to answer the "on your own" questions, study guide questions, and extra practice problems. This is followed by the "Experiments" section, which features lab reports for every experiment in the text; forms include the objective, materials needed, primary question for the experiment, and procedure, as well as room to record the student's hypothesis, data, and observations. Finally there's a brief section on creating and interpreting graphs, which will help students understand how to create accurate and appropriate line graphs from data, and also how to interpret the most common line graphs. A complete daily schedule breaks down the text, notebook...
