Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Before the Fire (Main Market Ed.), Sarah Butler, It's June 2011. Stick and Mac are a couple of months shy of eighteen; summer's approaching and they're about to leave their north Manchester estate for the beaches of southern Spain. But the night before they're planning to go, Mac ends up in the wrong place at the wrong time, the victim of a random knife attack, and suddenly Stick's going nowhere. His mum doesn't want him to leave the house; his dad's desperate to be his best friend; and his nan's boyfriend keeps telling him Mac's doing just fine in the spirit world. Then he meets J and she might just be everything he needs. Except she's a firebrand with a grudge against the police, and the August riots are just around the corner.
