[...]poetically as ice-glens, or symbolically as purgatories. These Jamaica chasms vary from two hundred yards to a mile in length; the rocky walls are fifty or a hundred feet high, and often absolutely inaccessible, while the passes at each end admit but one man at a time. They are thickly wooded, wherever trees can grow; water flows within them; and they often communicate with one another, forming a series of traps for an invading force. Tired and thirsty with climbing, the weary soldiers toil on, in single file, without seeing or hearing an enemy, up the steep and winding path they traverse one cockpit, then enter another. Suddenly a shot is fired from the dense and sloping forest on the right, then another and another, each dropping its man; the startled troops face hastily in that direction, when a more murderous volley [...].
