On Demand Publishing, LLC-Create Space, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Whether you re an absolute beginner with zero programing skills or you already have knowledge of on-line income and you want to expand, then this book is for you. This will be the most exciting guide you have ever read, why? Because it will teach you exactly how to build your first ten income streams and then build the links that feed each other to increase your income. With each link being both a source of business and a referrer of business, the net effect of this Cross Collateralization is a Compounding Income and a business model where you only work on the business and never in it. This book has three important categories; 1.The theory- a behind the scenes look at online income 2.The method - a step-by-step how-to guide including the websites that ll need. 3.Actual ideas to help you along. The business that generated that money then refers buyers and thereby income to other legs of your on-line model that also refer business back, thereby creating an effective compounding income with zero risk and in most cases zero outlay. This self-sustaining on-line business model has no need for programing skills, employees or ongoing money to be spent supporting it. What it does require is a desire to succeed, an ability to hold onto a vision and the dedication to put time and effort into learning new...
