Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.A pair of childhood friends, Imogen and Leo, decide to wed in an effort to foil her father, King Edward Cymbeline s, plans for an expedient marriage to a man she loathes. She could not have foreseen her father s wrath as he banishes Leo from New London. Though only friends, and separated by thousands of miles, somehow real love begins to flourish. As if paying homage to his life s work, Shakespeare s Cymbeline contains elements from many of his best loved plays. In Imogen, the bard s story is reborn amid the alternate history of a Steampunk world. Victorian principles are pitted against gritty east-end outcasts, as Shakespeare s fantastical tale is of intrigue and romance reemerges. A lovely princess, an evil queen, a misguided king and a bevy of suitors, weave their way through themes of jealousy and wronged innocence. Imogen is a fairy tale-like story of life, and love, renewed. This time however, it s paired with air ships, aether cannons, and a princess who dares to make a stand.
