Guardian Faber Publishing, United Kingdom, 2016. Paperback. Book Condition: New. Main. 197 x 129 mm. Language: English . Brand New Book. Forgive your enemies, they say. Keep their addresses and keep notes, I say. In Access All Areas, you ll learn how to buy three Premier League points for just GBP25,000, what it s really like to face a Football Association disciplinary hearing, and why every footballer in the country shuddered when they heard about the Ched Evans case. Add to that The Secret Footballer s no-holds-barred tour of the country s Premier League clubs - telling us what it s like to play in each ground and revealing the one that all players really hate to go to - and you get an entertaining glimpse into a world that s normally off-limits to the fans. Unapologetically opinionated, witty and honest, Access All Areas is every thinking fan s guide to the beautiful game. I am The Secret Footballer and all bets from here on in are off.
