Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1906. Excerpt: . . . Vol. XXXVIII. LONDON, JUNE, 1906. No. 6 STUDIES IN THE GENUS INCISALIA. BY JOHN H. COOK, ALBANY, N. Y. Inc1sal1a 1rus. (Continued from page 144.) Uymenopterous parasite. --On April 13th, 1906, chrysalis No. 112 gave birth to an ichneumon fly, which Mr. D. B. Young has kindly identified for me as Anomalon pseudargioli. An error corrected. --In 1881, Mr. W. H. Edwards published in Papilio (Vol. I, pp. 150-152) a description of the preparatory stages of Thecla Henrici, a specimen of which he succeeded in raising from one of a number of eggs laid on plum by an imprisoned female. Dr. Scudder, who failed to find characters warranting the separation of irus and Henrici, quotes this description in his Butterflies of the Eastern United States and Canada as referring to irus, and, strangely enough, this error has been copied in all subsequent literature, even...

Reviews

This publication can be really worth a go through, and a lot better than other. It is actually written in straightforward words and phrases instead of confusing. I discovered this pdf from my dad and i suggested this publication to learn.

-- **Jackeline Rippin**

A high quality book and also the font employed was intriguing to read. I was able to comprehend every thing out of this created e book. You won't really feel monotony at whenever you want of the time (that's what catalogues are for concerning should you check with me).
