Reviews

*This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)*

THE CAREER, LAST VOYAGE, AND FATE OF CAPTAIN SIR JOHN FRANKLIN

Cambridge Library Collection. Paperback. Book Condition: new. BRAND NEW, The Career, Last Voyage, and Fate of Captain Sir John Franklin, Sherard Osborn, The disappearance of Sir John Franklin's Arctic expedition of 1845 led to many rescue attempts, some by the British government, and some by private individuals. This short 1860 account of Franklin's life and of the search for him was written by the experienced naval officer Sherard Osborn (several of whose other works have been reissued in this series) with a view to inspiring the youth of Britain to follow the great explorer's example of duty and rectitude. Osborn (1822-75) had begun his naval career in the Far East, but was a pioneering commander of steam-powered ships, and his performance in the steam tender HMS Pioneer in the 1850 rescue expedition confirmed the efficiency of this new technology in icy waters. Decorated for his role in the Crimean War, and later active in railway and telegraph technology, he continued to take an interest in Arctic exploration, and in steamships, until his death.
