Guilford Publications. Paperback. Book Condition: new. BRAND NEW, Becoming Who We are: Temperament and Personality in Development, Mary Klevjord Rothbart, This definitive work comprehensively examines the role of temperament in the development of personality and psychopathology. Preeminent researcher Mary Rothbart synthesizes current knowledge on temperament's basic dimensions; its interactions with biology, the social environment, and developmental processes; and influences on personality, behavior, and social adjustment across the lifespan. In a direct and readable style, Rothbart combines theory and research with everyday observations and clinical examples.
