JOURNEY OF OKTAVIUS

Ibycus Publishing, United States, 2009. Paperback. Book Condition: New. 213 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.Based on sacred geometry, the most universal language of all, a classic tale arises from the increasing complexity of personal development and relationships, not uncommon to a child who is set to venture out of the home, and into the great unknown of academia. This is a fairy tale that exceeds mere grandiose fantasy and attempts to portray an objective morality in an interactive world where only conscious intent and hard work can obtain the highest pinnacle. Weaved craftily into this colorful story is the brilliant psychological model of Carl Jung, the wisdom of ancient Greece, the love of Christ, the serenity of Zen, and much more. Bits and pieces of worldly philosophy in cosmic proportions are sprinkled about in a simple tale of a young seeker s journey to find an answer to the mystery of life. This is a story for those who dare to dream big.
