BRAND NEW, Lecciones de Vida, Sylvia Browne, Each journey starts with a single step, and in this book,"" renowned psychic Sylvia Browne leads you on the path to the perfection of your soul. The unique program that she presents in this book involves an eight-step process that will help you: (1) realize your essence, (2) identify your patterns, (3) utilize past-life memories to your advantage, (4) become more psychic, (5) develop spiritual wealth, (6) find the right relationships, (7) deal with the death of loved ones and cope with divorce, and (8) maintain a state of wellness. Along with her always-practical advice, Sylvia encourages you to engage in personal-growth writing exercises, and to enhance your life with healing affirmations and soothing meditations. Known for her candor and wit, Sylvia also shares her personal experiences along the road to understanding the nature of God and His plan for all of us. She explains that the challenges we encounter are not meant as punishments, but as learning opportunities for us to improve ourselves and the world around us. When we release guilt and fear, we make room for joy and fulfillment. As Sylvia says, by completing just one step a week, you will--through your own introspection--become more spiritual, which naturally leads to being more joyful, more at peace--and even more psychic.
