Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Journaling with Jesus is a creative call to an authentic, intimate relationship with Christ through the art of prayer-journaling. Author Carol Round openly shares her own intimate journaling journey, initially borne of pain, and now bathed in promise--the hope of healing in Jesus. Let her sensitively guide you along your own prayer path through balanced scriptural support, stories from the lives of women transformed through the power of journaling, encouraging explanations about the benefits of journaling, and timely tips about how to start. Allow Journaling with Jesus to take you deep into the heart of God, by showing you practically and inspirationally how to bare the depths of your own heart on the blank page. As you fill your journal with words of honesty, God will fill your heart with the wonder of His love. --LYNN D. MORRISSEY, author of Love Letters to God: Deeper Intimacy Through Written Prayer The initiative of God to restore relationship with every person requires our engagement. The age-old battle to create space to spend time with Him can be supported by the spiritual discipline of keeping a journal. Carol Round understands this. I encourage your pursuit of this commitment as you read Journaling with Jesus. --STEVE LASWELL, author of The Journey-A Personal Journal and The Journey-Personal Notes from the Father.
